AFTER-HOURS, WEEKEND & RUSH

Standard service hours are Monday–Friday, 8:00 AM to 5:00 PM; appointments in those hours carry no surcharge.

CANCELLATIONS, NO-SHOWS & READINESS

More than 2 hours before appointment	No fee
Less than 2 hours before appointment	\$25.00

Once the notary has dispatched, applicable mobile, convenience and specialty-facility fees remain due if the signer is unavailable or does not appear, lacks acceptable identification, required witnesses are unavailable, the documents are not ready, the signer chooses not to proceed, or the notarization cannot be completed for reasons outside our control. No fee for an official notarial act will be charged if that act is not performed.

Please have documents complete except for signatures or portions that must be completed in the notary's presence. Every signer must personally appear, provide satisfactory identification, and willingly participate. All required parties must be present at the scheduled time.

Payment is due at the time services are rendered unless other arrangements are made in advance. There is no electronic-payment processing fee.

How pricing works

Thin Blue Line Notary separates fees for official notarial acts from fees for mobile travel, convenience, facility access, waiting, printing, delivery and other non-notarial services. Your estimated price is disclosed before dispatch, and additional charges are never added without disclosure. All official notarial fees are charged in accordance with applicable Texas law. Thin Blue Line Notary is not a law firm, does not provide legal advice, and cannot select legal documents or advise you regarding the legal effect of a document.
